Tu We Th Fr Sa Su

Date D D M M Y Y Y Y

I was listening to the ocean
I saw a face in the sand
But when I pick it up then it vanished away from my hands
I had a dream I was seven
Climbing my way in a tree
I saw a piece of heaven waiting patient for me

And I was running far away
Would I run off the world some day?
Nobody knows, nobody knows
And I was dancing in the rain
I felt alive and I can't complain
But now take me home
Take me home where I belong
I can't take it anymore

I was painting a picture
The picture was a painting of you
And for a moment I thought you were here
But then again it wasn't true
And all of this time I have been lying
Lying in secret to myself
I've been putting sarrow on the farest place on my seshelf

Take me home where I belong
I got no other place to go

CONQUEROR

Date D D M M Y Y Y Y

Broken morning, broken nights
And broken days in between
Open ground, the sky is open
Makes an ~~open scene~~ old bird sing

Just like in fiction and every addiction
Oh, fantasy taking over, awake me

I've been looking for the conqueror
But you don't seem to come my way
I've been looking for the only one
But you don't seem to come my way

Broken me and broken them
You are broken too
Open ears, their eyes are open
Makes me call for you

But there is no seduction only destruction
Oh, fantasy take me over and break me,

I've been looking for the conqueror
But you don't seem to come my way
I've been looking for the only one
But you don't seem to come my way.

I lay my hands upon this ground
for the thousandth time
I call him in, his earth is mine

Before I make the offering
Remember all the faces that I've seen
Now all the marks have settled on my skin
from all the different places that I've been
That I've been

And I feel the light for the very first time

Walking in my sleep
Like the naked dreams
Will they wake up again?
Do they sleep, do they dream?

feel it as the wind
strokes my skin
I am moved by the chill
Hear the winter bird sing

Ah- ah- ah- ah- ah- ah- ah- ah
Ah- ah- ah- ah- ah- ah- ah

My tears are always frogen, I can see the air I breathe
hot my fingers painting pictures on the glass in front of me
Lay me by the frozen river where the boats have passed
me by, All I need is to remember how it was to feel alive

Silent days, violent shades
We are dancing again in a dream by the lake

I WENT TOO FAR

9 June 2026

Date D D M M Y Y Y Y

I went too far when I was begging on my knees
Begging for you arms, for you to hold around me
I went too far and kissed the ground beneath your feet
Waiting for your love, waiting for our eyes to meet

Crying, give me some love!
Hive me some love and hold me
hive me some love and hold me tight

oh, give me some love
hive me some love and hold me
hive me some love and hold me tight

I went too far when I was begging on my knees
When I cut my hands so you could stand and watch me bleed
I went too far and kissed the ground beneath your feet
Standing in me blood it was the taste of bittersweet

Crying, give me some love!
hive me some love and hold me
hive me some love and hold me tight

oh, give me some love!
hive me some love and hold me
hive me some love and hold me tight

Why can't I turn around and walk away
no back in time?
I had to turn around and walk away
I couldn't stay, I had to walk away

I'm left behind with an empty hole
And everything I am is gone
I try to reach for another soul
So I can feel whole
oh, give me some love(2)
oh, give me some love (2)
give me some love and hold me
give me some love and hold me tight

I fall asleep in my own tears
I cry for the world for everyone
And I build a boat to float in
I'm floating away

I can't recall the last time I opened my eyes to see the world as beautiful
And I bulit a cage to hide
I'm hiding, I'm trying to battle the night

Let love conqueror your mind
warrior, warrior
Just reach out for the light
Warrior, Warrior → I am warrior
I am warrior ← Warrior, warrior
Warrior, warrior of love

I stand behind a wall of people and thoughts, mind controlli
And I hold a sword to guide me, I'm fighting my way

THROUGH THE EYES of A CHILD

16 June 2026

Mo Tu We Th Fr Sa Su

Date D|D M|M Y|Y|Y|Y

The world is covered by our trails
Scars we cover up with pain
Watch them breach in sour lives
I would rather see the world through the eyes of a child
Through the eyes of a child

Darker times will come and go
Times you need to see her smile
And mothers' hearts are warm and mild
I would rather feel the world through the skin of a child
Through the skin of a child.

When a human strokes your skin
That is when you let them in
Let them in before they go
I would rather feel alive with a childlike soul

please don't leave me here

Under the water we die
Under the water there is no one watching
Under the water we are alone

Then why do we jump in?
Why do we jump in?
Under the water we die

So many souls that lost control
Where do they fall?
Into the deep, what do they seek?
Where do they fall? (2)

Hearts will dream again

A dancing puppet doll, made of wood
I bet he'd run away one day
If he choose to leave or stay
He's got a string attached to every single bone
She's got him round her little finger
So she'll never feel alone

(oh), sometime I wonder, did he go
But not a man, of course his soul
Dreaming about Wonderland
Wakes up and he's a man

(x2)

oh, taking control over another man's mind (3)
oh, taking control over his mind.

The idea of leaving her has struck his mind
When he sees her smile he's hypnotised
And he can't leave her behind
Looking to his left, there's the door
No need to try, tried it once before
And their bones hiding beneath the floor.

Sometimes I wonder, did he go
But not a man, of course his soul
Dreaming about wonderland
Wakes up and he's a man

I HAD A Dream

Mo Tu We Th Fr Sa Su

Date D|D M|M Y|Y|Y|Y

Last night I had a dream that we were fighting
Cause we have different ways in wrong rhyme
And as the words run out and you were shouting
I saw there would be no peace here tonight

Then I dreamt we both lost in the end
Well, you proved your point but now you have lost a friend
The light (life) we used to live has reached the end
And we both want to smile back, though I pretend
Oh I pretend

Ah, oh I had a dream
I had a dream
But it all just seem so real

But it all seems to be longing for this glory
To get fame and fortune of our own
But will we, in the end, be satisfied?
When we're living in our glory, all alone?

And this night I had a dream that we were running
Running far away from our mistakes
We were blaming others for the wrongs we made
And then we were down because we were not the one we paid.

Mo Tu We Th Fr Sa Su

Ah, oh I had a dream
I had a dream
Oh, I had this dream
But it all just seemed so real

One night I had a dream a man hit his woman
Cause she was standing in the way and he was drunk
And every monday moring she was brave
When the man drove far away inside his truck

But ~~today~~ tonight I had a dream that we're just watching
All the devastating things this world can bear
We could feel the lightness way over here
But when it didn't us concern, we didn't care

No we wouldn't lift a finger for the lost ones
We wouldn't give money to the poor
Our hapiness has come in shape of gold.
And we forget what's truely worth living for

Ah, I had a dream
I had a dream
Oh, I had this a dream
But it all just seemed so real
It seemed so real
